Recuro Primary Care

Whole-Person Virtual Care

Top primary care physicians provide personalized care through message-based and video interactions, no matter your location or circumstances.

Product Highlights

Comprehensive

An integrated care team of board-certified primary care and behavioral health physicians enables whole-person care with a personal touch.

Convenient

Patients receive lab and genomic testing kits to their doorsteps, self-collect their samples, and mail them to the lab, all from the comfort of their homes at no additional cost.

Preventative

A proactive approach that includes at-home labs, genomics, and risk stratification enables early intervention to improve patient experience and outcomes.

Recuro Primary Care

Product Details

Dedicated Physician

Patients can choose a consistent provider who meets their needs and preferences.

At-Home Labs

Lab tests are delivered to patients' doorsteps, easily returned to the lab in prepaid packages.

Integrated Prescriptions

Prescriptions are immediately sent to the patient's preferred pharmacy for easy pickup.

Health Risk Assessment

A comprehensive risk assessment covers physical and behavioral health, lifestyle, and other areas of consideration.

Genetic Testing

Integrated Urgent Care

24/7 urgent care access is included in the primary care solution.

Condition Management

Care teams identify and manage chronic conditions on an ongoing basis.

Behavioral Health

Primary care and behavioral health can be integrated to provide holistic patient care.

Conditions Treated

- Allergic Conditions
- Diabetes
- High Cholesterol
- Hypertension
- GI Tract Issues
- Prediabetes
- Respiratory Illness
- Arthritis
- Anemia
- Cold
- Flu
- Rashes
- UTIs
- And More

Recuro Urgent Care 24/7 Acute Care Access

With Recuro Health's Urgent Care as part of your Unified Group Services benefit plan, your members get 24/7 access to board-certified doctors for treatment of common medical concerns with ongoing communication from your doctor.

Product Highlights

Coordinated

If needed, urgent care can seamlessly transition to Recuro's ongoing virtual primary care to improve patient health and prevent future issues.

Convenient

Patients can see a board-certified physician wherever they are, whenever they need to.

Personalized

Patients receive treatment plans based on their unique needs and can ask follow-up questions to their doctors after the visit.
